From an airport, you can get by taxi. For less expensive travel by taxi, call a taxi by phone (city information desk at the arrival hall can do it for you).

When travelling around the city, it is much better to order service by using mobile APP's (**Bolt, Uber, A2B**) or call a taxi company by phone, because of "catching" it on the street might cost you both additional 4-6 euro for entrance + double rates per each kilometre.
